LUST Incident No. 903199  
LUST Technical File

Dear Mr. Patel:

The Illinois Environmental Protection Agency (Illinois EPA) has reviewed the Free Product Removal Plan (plan) submitted for the above-referenced incident. The plan, dated April 6, 2009, was received by the Illinois EPA on April 13, 2009. Citations in this letter are from the Environmental Protection Act (Act), as amended by Public Act 92-0554 on June 24, 2002, and 35 Illinois Administrative Code (35 Ill. Adm. Code).

In accordance with 35 Ill. Adm. Code 734.215, the plan is approved (Section 57.7(c) of the Act and 35 Ill. Adm. Code 734.505(b) and 734.510(a)). The owner or operator shall proceed with free product removal in accordance with the plan.

In addition, the corresponding budget is approved for the amounts listed in Attachment A (Section 57.7(c) of the Act and 35 Ill. Adm. Code 734.505(b) and 734.510(b)). Please note that costs must be incurred in accordance with the approved plan (Section 57.7(c) of the Act and 35 Ill. Adm. Code 734.510(b)). Be aware that the amount of payment from the UST Fund may be limited by Sections 57.8(d), 57.8(e), and 57.8(g) of the Act, as well as 35 Ill. Adm. Code 734.630(s) and 734.655.

If, following approval of the free product removal plan or associated budget, it is determined that a revised removal plan or budget is necessary in order to complete free product removal, an amended free product removal plan or budget, as applicable, must be submitted to the Illinois EPA for review (35 Ill. Adm. Code 734.215(g)). Any such plan and budget shall be submitted to

the Illinois EPA for review and approval, rejection, or modification prior to payment for any related costs or the issuance of a No Further Remediation Letter (35 Ill. Adm. Code 734.215(f)).

If you have any questions or need further assistance, please contact Brian Bauer at 217/782-3335.

Sincerely,
