If, following approval of the free product removal plan or associated budget, it is determined that a revised removal plan or budget is necessary in order to complete free product removal, an amended free product removal plan or budget, as applicable, must be submitted to the Illinois EPA for review (35 Ill. Adm. Code 734.215(g)). Any such plan and budget shall be submitted to the Illinois EPA for review and approval, rejection, or modification prior to payment for any related costs or the issuance of a No Further Remediation Letter (35 Ill.
